Re: *United States v. Kevin Delvalle*  
17 Cr. 314

Dear Judge Marrero:

Please accept this letter, with consent of A.U.S.A. Jessica Feinstein, to continue the sentencing in this matter, currently scheduled for February 18, 2020, to April 10, 2020 at any time convenient to the Court.

This request is occasioned for two reasons. First, I hope to have additional time to advise the Court of my client's objections to the final presentence report, which has already been approved, and to submit a full sentencing submission, including a report from our mitigation expert. Second, the government would hope to have both defendants' sentences in the case on the same day, as the victim's family members need to travel some distance to attend court and make their statements. The codefendant's sentence is currently scheduled for April 10.

If this is agreeable, may I impose upon Your Honor to "so order" this letter and have Chambers post it on ECF. Thank you for your consideration. I remain

Respectfully,  
S/GR Goltzer
